Diversity, Inclusion and Equity (DEI)

What does this really mean for me, my classroom, and my district? **NEW!** The Board of Regents launched an initiative to advance diversity, equity, and inclusion in schools across NYS. The Board expects that all school districts will develop policies that advance diversity, equity, and inclusion-and that they implement such policies with fidelity and urgency. This seminar introduces DEI to better understand the framework passed by the NYS Board of Regents in May. It provides a forum to discuss how DEI can be incorporated in your teaching practices and in the school culture and climate (2 hours)
